### Handle Lift System

The Handle Lift System allows you to quickly and easily access the catcher. Simply step on the foot pedal and lift the handle. Once the handle is returned to the operating position it will lock in place.

### HDPE Plastic Catcher

Sturdy long lasting high density polyethylene plastic catcher that holds 42 or 46.5 litres of grass clippings depending on the model. Some of these plastic catchers have a 'full indicator', allowing the operator to gauge how much grass is in the catcher.

### Industry Leading Warranties

Masport® lawnmowers with Briggs & Stratton™ and Loncin engines receive an industry leading exclusive 5 year comprehensive warranty on the entire mower\*. Giving extra confidence and longevity for these lawnmowers.

### Mulching

Naturally recycles the grass by recutting it and feeding it back into your lawn.

### Masport Dual Mowzone®

With the blade coverage extending beyond the wheel width on both sides, the mower can cut closer to walls, kerbs and fences, giving a cleaner finish to your lawn.

### Zone Start

The conveniently positioned starter cord eliminates the need to bend all the way down to pull-start, reducing the risk of back strain.

\* Please refer to [masport.co.nz](http://masport.co.nz) for full warranty information. Not all features available on all mowers.

# THE PERFECT LAWN. WITH INTELLIGENT MOWING.

We have developed the next generation of STIHL Robotic Mowers just for you – and they are redefining automatic lawn care.
